To whom it may concern,

**Re: Bartlomiej Zimny D.o.B: 17.09.79**

Bart's employment with us commenced on a temporary basis in February 2006 and was expected to last for approximately 2-3 weeks. However, such was the impression that Bart made during this time that we decided to offer him a full-time permanent position with the company in September 2006.

During his time with Stratta Bart has proved to be reliable, polite, hardworking and an asset to the company. Bart decided to leave the company in December 2007 due to moving back to his native Poland.

We would without doubt be prepared to offer Bart a position with Stratta again, if he was to move back to Bristol in the future.

Yours Faithfully

Miss Hayley Brown  
HR Manager.
